

**8th UPES International
Model United Nations
Conference**

**27-28 JANUARY
2024**

WHERE DIPLOMACY EMBRACES DIVERSITY

ABOUT UPES

Established in 2003, the University of Petroleum and Energy Studies (UPES) is a multidisciplinary institution renowned for its industry-aligned curriculum and leading-edge specialisations. UPES enables the new generation of learners to realise the best in themselves and the world they will help shape. Located in the serene locales of the Himalayan foothills, the university has a sprawling 44-acre campus and state-of-the-art infrastructure. It offers specialised undergraduate and postgraduate courses in the fields of Engineering, Management, Law, Health, Sciences, Design, Modern Media and Computer Sciences.

UPES has established unique partnerships with industry pioneers, as well as academic collaborations with universities across the world. UPES' membership with various international forums promotes the exchange program. The university has over 50 Memorandum of Understanding (MoUs) with partners across the globe and several active associations with international bodies.

MISSION

Create a global knowledge ecosystem through training, research, development and consultancy.

Foster an effective, outcome-based education system to continually improve teaching-learning and research.

VISION

To be an institution of global standing for developing professionally competent talent contributing to nation-building.

About

THE UPES MUN CLUB

“Incertus animus dimidium sapientiae est”
A mind that doubts is halfway to wisdom.

Welcome to the vibrant world of the UPES Model United Nations (MUN) Club, where diplomacy meets innovation, and tomorrow's leaders are shaped today. Established with a vision to foster intellectual discourse, global awareness, and leadership skills, the UPES MUN Club stands as a beacon of excellence within our academic community. At the heart of our club lies a passionate commitment to providing a platform for students to engage in stimulating debates, simulate international diplomacy, and cultivate a deep understanding of complex global issues.

Subsequently, our Model UN conferences attract participants from institutions across the globe to the heart of our country. Breaking through with Uttarakhand's first University level Model UN conference in 2012, UPES has paved its way to host, for the eighth time, The UPES International MUN 2024 after the overwhelming popularity garnered by its previous iterations. The Intra Dehradun Model United Nations Conference 2023 was also hosted on 16- 17 September 2023, and the Conference invited 300+ delegates from across esteemed institutions in the city.

We authenticate the substantiation of our advocacy exploring the art and vitality of debate and, in consequence, have had the honour of fostering support from revered individuals and organisations such as the United Nations Information Centre for India and Bhutan, the Government of Uttarakhand, Aditya Birla, the Bank of Baroda, the Doon Hostel Welfare Association, the Indian Military Academy, Dehradun (IMA), the Indo-Tibetan Border Police (ITBP), the Oil & Natural gas Corporation (ONGC), and the International Association of Students in Economic and Commercial Sciences (AIESEC), for the continual growth and cultivation of the UPES Model UN.

ABOUT THE EVENT

8TH UPES INTERNATIONAL MODEL UNITED NATIONS CONFERENCE

Resurrecting Diplomacy: The 8th Edition of UPES International Model United Nations Conference- **"Where Diplomacy Embraces Diversity"**

The UPES MUN Club is beyond thrilled as it presents to you the highly anticipated 8th International Model United Nations Conference 2024. The conference will take place on the 27-28th January 2024, and you are requested to join us as we embark on a transformative journey of discourses of global significance.

The conference will be hosted at the picturesque Bidholi Campus of the University of Petroleum and Energy Studies. Nestled in the embrace of nature, our college campus serves as the perfect canvas for intellectual stimulation, offering a picturesque setting that inspires creativity and fosters academic excellence. With state-of-the-art facilities and lush surroundings, the venue encapsulates the ideal environment for the International UPES MUN Conference, where minds converge and ideas flourish.

During these two days, we will unite as advocates of change, champions of progress, and most importantly, ambassadors of peace. This conference serves as our platform to celebrate diversity, amplify voices, bridge divides, and foster understanding that will pave the way for a better, brighter future.
